SUMMER PACKET FOR INCOMING KINDERGARTENERS

Get ready for kindergarten with Miss Bolesta one fun summer activity at a time!
Today your child received the summer packet of work for math and reading. Please sign below and return to acknowledge that this packet has made it home, and that you are aware of what is expected of your child for the summer.

Dear Incoming Kindergarteners,

Congratulations for completing Pre-K! We are very excited that you will be joining us for kindergarten for the 2017-2018 school year.

While having fun during the summer months, please remember to keep your brain active and engaged! We are sending home a “Summer Packet” of activities for you to complete of the summer. Your “Summer Packet” consists of two parts: READING and MATH! 😊

Please work on the assignments over the summer months and hand it in to your kindergarten teacher. It is DUE ON FRIDAY, SEPTEMBER 8, 2017.

On the following pages, you will find READING activities and MATH WORKSHEETS for you to complete over the summer.

Please read the instructions for each activity to complete the assignment successfully. Feel free to “go beyond” the minimum expectations! These activities are planned to keep our brains turned on this summer; so that you will be ready for kindergarten, and not forget all that you have learned in Pre-K.

Have a wonderful, safe summer, and we will see you in August!
READING:
There are about 10 full weeks of summer vacation. We ask that you visit your local library to get a library card for your child. You may also use books that you have at home. We ask that you read 8-10 books during the summer.
After you read each book with your child, please complete the form on the following page. Use one form for each book that is read.

COMPLETE THE FOLLOWING PAGES WITH YOUR CHILD:

1) Have your child print his/her name on the top line.

2) Have your child print the TITLE of the BOOK on the next line.

3) Have your child DRAW a PICTURE about his/her favorite part of the story.

4) WRITE a few words about the story on the lines provided.
OTHER SKILLS TO WORK ON OVER THE SUMMER:

- Please read with your child daily. Oral reading is an integral part of our Kindergarten program.
- Please work with your child so that he/she is able to recognize all of the letters of the alphabet, both uppercase and lowercase.
- While you are outside, ask your child, “What letter does grass begin with?” – flowers, pool, etc. You may also do these same activities while you are driving in the car.
- Please practice recognizing and printing numbers from one to ten.
- Please practice printing the letters of the alphabet A-Z.
- Please practice printing the letters in your child’s first name.
